## Thanks for the Kind Words!

"First time being to this shop. Took my truck in for a second opinion after the dealership was asking for major repairs at a major cost. John and Mike helped me find out that the repairs were not needed at this time but will need to be done when the parts do actually fail. They couldn't verify or duplicate the problems that the dealership found. And they didn't want to just throw parts and money at a problem they couldn't find yet. Very honest and very nice people! Will definitely be bringing my vehicles here in the future." - Ryan

## 10 WAYS TO SHOW YOUR CAR LOVE THIS FEBRUARY

We often associate February with love, hearts, flowers, and Cupid. The 14th is a day to celebrate our loved ones and show how much we care. This month also presents the opportunity to show love for something else that has proved to be reliable... your car! Here are some sweet things that you can do for your trusty vehicle:

1. **MAKE IT SHINE.** Give your car a good cleaning to remove the build-up of dust, dirt, and grime.
2. **PERFORM PROPER MAINTENANCE.** To avoid cutting you and your car's relationship short, regular service appointments are necessary.
3. **BUY A NEW SET OF TIRES.** Has it been a while since you last bought a new set of wheels for your ride? Making this investment is important for safety and performance.
4. **ORGANIZE THE INTERIOR.** If your car is not suitable for other passengers, it may be time to grab the garbage bags and toss that clutter.
5. **SHIELD IT FROM THE WEATHER.** Your car deserves protection from the changes of the seasons, from the blistering heat that summer brings to the frigid cold of a winter storm.
6. **CHECK THE ALIGNMENT.** If you have not had your car's alignment checked in quite some time, it may be time to take your car into a reliable mechanic. An alignment issue can lead to uneven tire wear, ultimately affecting how your car drives on the road.
7. **REPLACE YOUR WINDSHIELD WIPERS.** Replacing old and worn out windshield wipers is one of the easiest and least expensive ways you can show your car love.
8. **RESTORE THE HEADLIGHTS.** If you aim to impress all with your shiny ride, it can be hard to do so with hazy headlights. Restore those lights to their former glory.
9. **CHECK THE TIRE PRESSURE.** Always check to ensure that your tires are filled to the amount specified in the car's owner's manual.
10. **PRACTICE GOOD DRIVING HABITS.** Just as with a human mate, you cannot expect to keep them if you display poor manners. In the case of your car, your driving habits have an impact on how long your vehicle will last.
